**Subject:** Rotational Transfer Policy - uploading of revised data.

Sir,

Kindly refer to this Council's earlier mail dated 07.02.2022 regarding uploading of data of Group A Officers for rotational transfer. Some errors have come to notice in the said data. Therefore it has been revised w.r.t. the feedback received from peripheral institutes. The correction made now in the data of officers may be taken note of while obtaining choice preferences from the individuals. The data is attached herewith and also uploaded on the website. The preference choices may also be given by the Group A Officers who have completed 03 years in NE (North Eastern) region.

CC:- IT Section with a request to upload a data on the Council's website along with contents of mail.

Regards

**(A.K. Meena)**

Administrative Officer (Admn. & Rectt.)
