

Reply to the Queries of Tender CYP

Sub: CCRAS Tender submission – Request for digital link for Pre-Bid Conference.

Ref:- Dabur Research Foundation email dated 21st July 2020.

With reference to subject matter, regarding queries about the Tender on carrying out drug-drug interaction studies of classical Ayurvedic formulation through Cytochrome P-450 (CYP Methods).

1. Whether we need to perform all the assays for the all the products mentioned in the tender notice or only selective assays needs to be performed. In case it is selective, please let us know preferences for the assays.
2. The product will be shared in single slot for testing or it will be provided in different slots.
3. The drugs need to be tested in combination with product will be provided by CCRAS or we test facility need to procure the same.

In view of the above, it is informed you that please **“restrict to the tender documents only”**. This issue with approval of Competent Authority.
