

ON THE STANDARDIZATION OF SEENTHIL SARKKARAI (GUDUCHI SATVA)

Sasikala Ethirajulu,¹ Usman Ali² and D.S. Jayakaran³

(Received on 20-3-2001)

*Seenthil Sarkkarai a Siddha Medicine is the amyloiferous extract of the mature stems of *Tinospora cordifolia* Miers. of the family Menispermaceae. In Ayurveda, it is known as 'Guduchi Satva'.*

The present contribution deals with the micromorphology of authentic Seenthil Sarkkarai, its microchemical test response, TLC profile, gelatinisation point and starch index.
